

Ref. No 911/14 from March 30, 2022

The following is the information about the numbers of children and the establishments they have been evacuated from. The total number is 112 children and 33 infants (145 in total). All of them have been evacuated from Kharkiv region (one of the most destroyed and attacked by the Russian invasion). All the children are currently in temporary shelters mostly in Ivano-Frankivsk and partially in Dnepropetrovsk.

- Children’s Social and Psychological Rehabilitation Center «Harmony» - 37 kids.
  - Children’s Social and Psychological Rehabilitation Kharkiv Regional Center - 34 kids
  - Children’s Social and Psychological Rehabilitation Kharkiv City Center - 22 kids
  - Children’s Social and Psychological Rehabilitation Izyum City Center - 9 kids
  - City of Balaklea Children’s Social and Psychological Rehabilitation Center - 10 kids
  - Kharkiv Infants Orphanage «Infant’s Home» - 33 infants
- TOTAL: 145 children.

As soon as the infrastructure is ready, all the above children will be relocated to our center in Chernivtsi Region – 40 kilometers from the city of Chernivtsi, 8 kilometers from the Romanian border – in the village of Baniliv-Pidgirnii. The name and brand of the establishment is yet to be decided, but currently it can be called «Baniliv-Pidgirnii Children’s Social and Psychological Rehabilitation Center» (a working name).

Regarding the kitchen equipment, we have two highly experienced teams working on the ground now, doing detailed plan for the kitchen and making corrections to the initial list. In few days we will have a fully detailed plan, with the detailed understanding of every element and subsequent cost, as well as the suppliers, cost of delivery and installation.
